✓ Dos

When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.

Unwrap all packaging materials and place the components on a suitable surface to prevent scratching your product.

Check all contents are present prior to assembly as per the parts list provided. In the event of problems or missing parts, please contact the seller.

Check all screws and bolts are tightened and inspect regularly.

Cover furniture when not in use to add additional protection to your product.

Store all cushions indoors after use as they are not waterproof.

During severe weather conditions, including high winds, rain, hail, thunderstorms, extreme heat and cold temperatures, the product should be stored inside in a cool, dry place.

To best preserve the synthetic rattan, please use a protective cover when your furniture is not in use. We would also recommend using a gazebo or parasol over your furniture during the summer period and prolonged sunny spells. This will help prevent harmful UV rays from damaging and discolouring the material.

Ensure that the product is clean and dry before storage.

Clean your product with a sponge and warm soapy water then wipe with a clean, dry cloth.

Cushions should be cleaned following the care instruction on the label.

Where instructions as to the; storage, commissioning, installation, use and maintenance of the goods or (if there is none) good trade practice are not followed and a defect arises this will void the 12 month manufacturer's guarantee on the product.
