*The frame of this product is manufactured from mild steel coated with a weather resistant paint. Steel has a natural tendency to rust over time and, whilst we expect you to be able to enjoy your furniture for many years to come, we recommend that you check the product from time to time for signs of paint damage and/or rust. If the paint should become damaged, or if rust begins to form, you should clean the affected area and apply a suitable "thinners based" touch-up paint. Such paints are readily available from all good hardware and DIY stores.*
