Dos

When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.

Unwrap all packaging materials and place the components on a suitable surface to prevent scratching your product.

Check all contents are present prior to assembly as per the parts list provided. In the event of problems or missing parts, please contact the seller.

Check all screws and bolts are tightened and inspect regularly.

Cover furniture when not in use to add additional protection to your product.

During severe weather conditions, including high winds, rain, hail, thunderstorms, extreme heat and cold temperatures, the product should be stored inside in a cool, dry place.

To best preserve the synthetic rattan, please use a protective cover when your furniture is not in use. We would also recommend using a gazebo or parasol over your furniture during the summer period and prolonged sunny spells. This will help prevent harmful UV rays from damaging and discolouring the material.

Ensure that the product is clean and dry before storage. Clean your product with a sponge and warm soapy water then wipe with a clean, dry cloth.

When cleaning glass panels use a damp cloth or leather with washing up liquid or soft soap if necessary

Where instructions as to the; storage, commissioning, installation, use and maintenance of the goods or (if there is none) good trade practice are not followed and a defect arises this will void the 12 month manufacturer's guarantee on the product.

Don'ts

Do not use scourers, abrasives, washing powders, chemical cleaners or any other substances containing abrasives since these substances can damage the product, including the glass panel.

To preserve the table top design do not place greasy / oily items directly onto the surface. Use place-mats to prevent spillages of food or drink.

Do not place very hot or very cold items on the glass surface unless adequately thick table-mats are used to prevent such items from coming into contact with the glass.

Do not use the table as a chopping surface.

Do not strike the table with hard or pointed items.

Do not sit or lean on the table.

Do not use power tools to construct this product.

Do not use this product if parts are missing, damaged or worn.
